### EDUCATION

#### B. Sc Anatomy

Bowen University ,  
September 2019,  
Iwo, Osun State.

### SKILLS

HTML & CSS

JAVASCRIPT

REACT

Git Version Control

Figma

### PROFILE

I am a front-end web developer who loves creating pixel perfect designs. I use my knowledge in web development and skill in research to bring forth expertise in design implementation , responsiveness, testing and maintenance of web designs.

Equipped with a diverse and promising skill-set and able to effectively self-manage during independent projects, as well as collaborate in a team setting.

### EXPERIENCE

#### React Intern

Side hustle | May – July 2022.

In this internship were further divided into teams to carry out two main projects.

My team headed by me achieved an A grade on both projects.

During this period I learnt the following aspects of react :

- State & stateless components
- Props
- useEffect, useState, Usereducer etc.
- React Router
- Working with APIs

#### Full Stack Intern

Zuri & Ingressive for good | July 2022 – September 2022.

At the end of the internship I made 114.2 / 121 points

During this period I learnt :

- Semantic Html, CSS and Javascript
- Basic Django
- Figma
- Git & Github.
