PROFILE

I am a front-end web developer who loves creating pixel perfect designs. I use my knowledge in web development and skill in research to bring forth expertise in design implementation , responsiveness, testing and maintenance of web designs.

Equipped with a diverse and promising skill-set and able to effectively self-manage during independent projects, as well as collaborate in a team setting.

EXPERIENCE

Full Stack Intern
 Zuri & Ingressive for good | July 2022 – September 2022.

At the end of the internship I made 114.2 / 121 points
During this period I learnt :
- ➢ Semantic Html and CSS
- ➢ Javascript
- ➢ Basic Django
- ➢ Figma
- ➢ Git & Github

. **React Intern**
 Side hustle | May – July 2022.

In this internship were further divided into teams to carry out two main projects.

My team headed by me achieved an A grade on both projects.
During this period I learnt the following aspects of react :
- ➢ State & stateless components
- ➢ Props
- ➢ UseEffect, UseState, Usereducer etc.
- ➢ React Router
- ➢ Working with APIs
